

**UK REPRESENTATIVES ON ISSMGE TECHNICAL COMMITTEES
NOVEMBER 2023**

Technical Committee	UK Representative	Role
101 - Laboratory Stress Strain Strength Testing of Geomaterials	Tim Carrington	UK Nominated Member
101 - Laboratory Stress Strain Strength Testing of Geomaterials	Apollonia Gasparre	UK Nominated Member
101 - Laboratory Stress Strain Strength Testing of Geomaterials	Way Way Moinet	Corresponding Member
101 - Laboratory Stress Strain Strength Testing of Geomaterials	Cacin PY Wong	Corresponding Member
101 - Laboratory Stress Strain Strength Testing of Geomaterials	Mohammad Rezaia	Corresponding Member
102 - Ground Property Characterization from In-Situ Tests	John Powell	UK Nominated Member
102 - Ground Property Characterization from In-Situ Tests	Darren Ward	UK Nominated Member
103 - Numerical Methods	Lidija Zdravkovic	UK Nominated Member
103 - Numerical Methods	Charles Augarde	UK Nominated Member
103 - Numerical Methods	Giovanna Biscontin	Corresponding Member
103 - Numerical Methods	Emmanouil Spyropoulos	Corresponding Member
103 - Numerical Methods	Aliasger Haiderali	Corresponding Member
103 - Numerical Methods	Benjamin Cerfontaine	Corresponding Member
103 - Numerical Methods	Mohammad Rezaia	Corresponding Member
104 - Physical Modelling in Geotechnics	Andrew McNamara	Corresponding Member
104 - Physical Modelling in Geotechnics	Jonathan Knappett	UK Nominated Member
104 - Physical Modelling in Geotechnics	Jonathan Black	UK Nominated Member
104 - Physical Modelling in Geotechnics	Sam Divall	Corresponding Member
104 - Physical Modelling in Geotechnics	Emmanouil Spyropoulos	Corresponding Member
105 - Geo-Mechanics from Micro to Macro	Matthew Richard Coop	Corresponding Member
105 - Geo-Mechanics from Micro to Macro	David Muir Wood	UK Nominated Member
105 - Geo-Mechanics from Micro to Macro	Daniel Barreto	UK Nominated Member
105 - Geo-Mechanics from Micro to Macro	Beatrice Baudet	Corresponding Member
105 - Geo-Mechanics from Micro to Macro	Matteo Ciantia	Corresponding Member
105 - Geo-Mechanics from Micro to Macro	Helen Cheng	Corresponding Member
105 - Geo-Mechanics from Micro to Macro	Cacin PY Wong	Corresponding Member
106 - Unsaturated Soils	Akbar Javadi	UK Nominated Member
106 - Unsaturated Soils	Simon Wheeler	UK Nominated Member
106 - Unsaturated Soils	Christopher Beckett	Corresponding Member
107 - Tropical Residual Soils	David Toll	Corresponding Member
107 - Tropical Residual Soils	Joshua Omer	UK Nominated Member
107 - Tropical Residual Soils	Nikhil Nedumpallile Vasu	Corresponding Member
201 - Geotechnical Aspects of Dykes and Levees and Shore Protection	Robert Hutchison	Corresponding Member
201 - Geotechnical Aspects of Dykes and Levees and Shore Protection	Truong Le	UK Nominated Member
201 - Geotechnical Aspects of Dykes and Levees and Shore Protection	Philip Smith	UK Nominated Member
202 - Transportation Geotechnics	William Powrie	UK Nominated Member
202 - Transportation Geotechnics	Stephanie Glendinning	Corresponding Member
202 - Transportation Geotechnics	Ana Heitor	Corresponding Member
202 - Transportation Geotechnics	Sotirios Argyroudis	UK Nominated Member
202 - Transportation Geotechnics	Kevin Briggs	Corresponding Member
203 - Earthquake Geotechnical Engineering and Associated Problems	Jonathan Knappett	Corresponding Member
203 - Earthquake Geotechnical Engineering and Associated Problems	Stavroula Kontoe	UK Nominated Member
203 - Earthquake Geotechnical Engineering and Associated Problems	Barnali Ghosh	Corresponding Member
203 - Earthquake Geotechnical Engineering and Associated Problems	David Solans	Corresponding Member
204 - Geotechnical Aspects of Underground Construction in Soft Ground	Christopher Menkiti	UK Nominated Member
204 - Geotechnical Aspects of Underground Construction in Soft Ground	Graham Taylor	UK Nominated Member
204 - Geotechnical Aspects of Underground Construction in Soft Ground	Stephan Jefferis	Corresponding Member
204 - Geotechnical Aspects of Underground Construction in Soft Ground	Jamie Standing	Corresponding Member
204 - Geotechnical Aspects of Underground Construction in Soft Ground	Binh Le	Corresponding Member
205 - Safety and Serviceability in Geotechnical Design	Paul J. Vardanega	UK Nominated Member
206 - Observational Method	Christopher Menkiti	UK Nominated Member
206 - Observational Method	Tony O'Brien	UK Nominated Member
206 - Observational Method	Truong Le	Corresponding Member
206 - Observational Method	Andrew Ridley	Corresponding Member
206 - Observational Method	Aliasger Haiderali	Corresponding Member
206 - Observational Method	Agustin Ruiz Lopez	Corresponding Member
207 - Soil-Structure Interaction and Retaining Walls	Kelvin Higgins	UK Nominated Member
207 - Soil-Structure Interaction and Retaining Walls	Aliasger Haiderali	Corresponding Member

**UK REPRESENTATIVES ON ISSMGE TECHNICAL COMMITTEES
NOVEMBER 2023**

Technical Committee	UK Representative	Role
208 - Slope Stability in Engineering Practice	Ian Nettleton	UK Nominated Member
208 - Slope Stability in Engineering Practice	Nikhil Nedumpallile Vasu	Corresponding Member
208 - Slope Stability in Engineering Practice	Wengui Huang	Corresponding Member
209 - Offshore Geotechnics	Tim Carrington	Corresponding Member
209 - Offshore Geotechnics	Paul Knight	UK Nominated Member
209 - Offshore Geotechnics	Alistair Muir Wood	UK Nominated Member
209 - Offshore Geotechnics	Victor Terente	Corresponding Member
209 - Offshore Geotechnics	Richard Jardine	Corresponding Member
209 - Offshore Geotechnics	Andy Barwise	Corresponding Member
209 - Offshore Geotechnics	Susan Gourvenec	Corresponding Member
209 - Offshore Geotechnics	Gulin Yetginer	Corresponding Member
209 - Offshore Geotechnics	Christelle Abadie	Corresponding Member
209 - Offshore Geotechnics	Siya Rimoy	Corresponding Member
209 - Offshore Geotechnics	Stephen Suryasantana	Corresponding Member
209 - Offshore Geotechnics	Benjamin Cerfontaine	Corresponding Member
210 - Embankment Dams	Daniele Fornelli	UK Nominated Member
210 - Embankment Dams	Tom Shire	Corresponding Member
211 - Ground Improvement	Robert Hutchison	Corresponding Member
211 - Ground Improvement	Abir Al-Tabbaa	UK Nominated Member
211 - Ground Improvement	Robert Essler	UK Nominated Member
211 - Ground Improvement	Jason Redgers	Corresponding Member
211 - Ground Improvement	Matteo Ciantia	Corresponding Member
211 - Ground Improvement	Anthony O'Brien	Corresponding Member
211 - Ground Improvement	Emmanouil Spyropoulos	Corresponding Member
211 - Ground Improvement	Paul Sargent	Corresponding Member
212 - Deep Foundations	Joshua Omer	Corresponding Member
212 - Deep Foundations	Mike Brown	UK Nominated Member
212 - Deep Foundations	Tony O'Brien	UK Nominated Member
212 - Deep Foundations	Francesco Basile	Corresponding Member
212 - Deep Foundations	Emmanouil Spyropoulos	Corresponding Member
213 - Scour and Erosion	David Muir Wood	UK Nominated Member
213 - Scour and Erosion	Catherine O'Sullivan	UK Nominated Member
213 - Scour and Erosion	Tom Shire	Corresponding Member
215 - Environmental Geotechnics	Stephan Jefferis	UK Nominated Member
215 - Environmental Geotechnics	Douglas I Stewart	UK Nominated Member
215 - Environmental Geotechnics	Eugene Gallagher	Corresponding Member
215 - Environmental Geotechnics	Xiaohui Chen	Corresponding Member
217 - Land Reclamation	Emmanouil Spyropoulos	Corresponding Member
218 - Reinforced Fill Structures	Nicola Brusa	UK Nominated Member
218 - Reinforced Fill Structures	Chaido Doulala-Rigby	UK Nominated Member
219 - System Performance of Geotechnical Structures	Ashraf Osman	UK Nominated Member
220 - Field Monitoring in Geomechanics	Duncan Nicholson	Corresponding Member
220 - Field Monitoring in Geomechanics	Jamie Standing	UK Nominated Member
220 - Field Monitoring in Geomechanics	Jonathan Gammon	UK Nominated Member
220 - Field Monitoring in Geomechanics	Daniele Fornelli	Corresponding Member
220 - Field Monitoring in Geomechanics	Aliasger Haiderali	Corresponding Member
221 - Tailing and Mine Wastes	Elisabeth Bowman	Corresponding Member
221 - Tailing and Mine Wastes	Lidija Zdravkovic	Corresponding Member
221 - Tailing and Mine Wastes	Daniel Barreto	Corresponding Member
221 - Tailing and Mine Wastes	Matteo Ciantia	Corresponding Member
221 - Tailing and Mine Wastes	Christopher Beckett	UK Nominated Member
221 - Tailing and Mine Wastes	Antonio Carraro	UK Nominated Member
221 - Tailing and Mine Wastes	Stephen Thomas	Corresponding Member
221 - Tailing and Mine Wastes	Truong Le	Corresponding Member
221 - Tailing and Mine Wastes	Dudley Brown	Corresponding Member
221 - Tailing and Mine Wastes	Rafael Monroy	Corresponding Member
221 - Tailing and Mine Wastes	Mark Bruton	Corresponding Member
221 - Tailing and Mine Wastes	David Solans	Corresponding Member

**UK REPRESENTATIVES ON ISSMGE TECHNICAL COMMITTEES
NOVEMBER 2023**

Technical Committee	UK Representative	Role
221 - Tailing and Mine Wastes	Peter Jones	Corresponding Member
221 - Tailing and Mine Wastes	Mohammad Rezaia	Corresponding Member
222 - Geotechnical BIM and Digital Twins	Binh Le	Corresponding Member
222 - Geotechnical BIM and Digital Twins	Pin Zhang	UK Nominated Member
222 - Geotechnical BIM and Digital Twins	Brian Sheil	UK Nominated Member
301 - Preservation of Historic Sites	Stephan Jefferis	Corresponding Member
301 - Preservation of Historic Sites	Jamie Standing	UK Nominated Member
301 - Preservation of Historic Sites	Charles Augarde	UK Nominated Member
301 - Preservation of Historic Sites	Ana Heitor	Corresponding Member
302 - Forensic Geotechnical Engineering	Stephan Jefferis	Corresponding Member
302 - Forensic Geotechnical Engineering	Robert Jessep	UK Nominated Member
302 - Forensic Geotechnical Engineering	Vincent Nyambayo	Corresponding Member
302 - Forensic Geotechnical Engineering	Aliasger Haiderali	Corresponding Member
303 - Coastal and River Disaster Mitigation and Rehabilitation	Dariusz Wanatowski	UK Nominated Member
303 - Coastal and River Disaster Mitigation and Rehabilitation	Marco Redaelli	UK Nominated Member
304 - Engineering Practice of Risk Assessment and Management	Marco Redaelli	Corresponding Member
304 - Engineering Practice of Risk Assessment and Management	Paul J. Vardanega	UK Nominated Member
305 - Geotechnical Infrastructure for Megacities and New Capitals	Helen Reeves	UK Nominated Member
306 - Geo-engineering Education	John Atkinson	UK Nominated Member
306 - Geo-engineering Education	Giovanna Biscontin	Corresponding Member
306 - Geo-engineering Education	Thomas Shire	UK Nominated Member
306 - Geo-engineering Education	Ana Heitor	Corresponding Member
307 - Sustainability in Geotechnical Engineering	Abir Al-Tabbaa	Corresponding Member
307 - Sustainability in Geotechnical Engineering	Heleni Pantelidou	UK Nominated Member
307 - Sustainability in Geotechnical Engineering	Ian Jefferson	UK Nominated Member
307 - Sustainability in Geotechnical Engineering	Slobodan Mickovski	Corresponding Member
308 - Energy Geotechnics	Duncan Nicholson	UK Nominated Member
308 - Energy Geotechnics	Victor Terente	Corresponding Member
308 - Energy Geotechnics	David Taborda	Corresponding Member
308 - Energy Geotechnics	Ashraf Osman	Corresponding Member
308 - Energy Geotechnics	Emmanouil Spyropoulos	Corresponding Member
308 - Energy Geotechnics	Fleur Loveridge	UK Nominated Member
308 - Energy Geotechnics	Benjamin Cerfontaine	Corresponding Member
308 - Energy Geotechnics	Asha Panchal	Corresponding Member
309 - Machine Learning and Big Data	Xiaohui Chen	UK Nominated Member
309 - Machine Learning and Big Data	Jonathan White	Corresponding Member
309 - Machine Learning and Big Data	Stephen Suryasentana	Corresponding Member
309 - Machine Learning and Big Data	Agustin Ruiz Lopez	Corresponding Member
