
IGS STUDENT AWARDS 2013-2016

IGS UK CHAPTER STUDENT CONTEST 2015

The 7th IGS Student Award Program is underway. The *IGS UK Chapter* is launching **the Student contest 2015** to nominate one student paper to participate in this program. The nominee will submit a full paper and will present it in a regional IGS conference and in EuroGeo6 conference. The nominee will receive a **£750** conference attendance scholarship and complimentary conference registration.

The EuroGeo6 conference will be held on 25-28 September 2016 in Istanbul. The EuroGeo6 conference will have a dedicated session in which the student winners' papers will be presented. In addition, a comprehensive student program will be organized during EuroGeo6 to maximize the exposure of the students to Geosynthetics and the IGS. This includes a recognition ceremony during the conference as well as their participation in corporate receptions, social functions and activities specific to the conference.

General guidelines and dates:

- Candidates: Students who have been an undergraduate, M.SC or Ph.D. student during the period 2013 -2016.
- Members of the IGS UK Chapter (The annual fee for membership is £30 for Individual Members and Free for students). Please join or renew your IGS-UK membership – online application forms: www.igs-uk.org
- Submission of a maximum 3-pages technical paper for the *IGS UK Chapter Contest 2015* by **30th May 2015** following the Guidelines of the contest.
- Submission of a maximum 300 words document explaining how they feel their attendance at the EuroGeo6 conference will benefit their personal development and the geosynthetics industry.
- The nominee will submit an abstract of the technical paper for EuroGeo6 by **30th October 2015** following the Guidelines of EuroGeo6 www.eurogeo6.org
- The nominee will submit the final paper for EuroGeo6 by **31st March 2016** following the Guidelines of EuroGeo6 www.eurogeo6.org

Guidelines for Technical Paper for IGS UK Student Contest 2015:

- Maximum 3-pages technical paper. Text must be in Times New Roman font, 12 point size, single space and justified.
- Follow the paper preparation guidelines provided in the paper template.
- High-resolution pdf files ensuring legibility of the tables and figures.
- Please ensure that all fonts are embedded in the pdf file – this is very important to ensure legibility of the paper.
- The deadline for submission of the technical paper is 30th May 2015.
- Please send the technical paper to patricia@geosyn.co.uk and committee@igs-uk.org
